Networking   Simulation   Configuration

Deployment of a FortiGate FireWall
📅 August/2022 - September/2022

FortiGate is a firewall appliance which offers robust network security solutions. It provides features such as firewallantivirus, and web filtering in a single platform

FortiGate   Monitor   Security

EDUCATION

Degree in computer technology

📅 June/2024   Higher Institute of Technology Studies of Sfax

Scientific baccalaureate

📅 June/2021   Majida Boulila High School

SKILLS

Programming Languages :

Python   Java

Virtualisation

VMware Workstation   VMware Workstation

Windows Server 2016   Windows   Linux

Cybersecurity

Wazuh   DFIR IRIS   Cortex

Networking :

OSPF   EIGRP   RIP   GNS3

Packet Tracer

FORMATION

July/2023: NSE4
March/2022: CCNA Academic Certificate
December/2022: I-Protectv5

LANGUAGES

- French (Intermediate)
- English(Excellent)

COMMUNITY LIFE

2021: Member of MTC ISET SFAX
2021: Scout of Sfax Tunisian Scouts
